

## Addendum-1

Clause 3.1 S.No. 3 (**Technical Criteria**) shall be read as:

Sl.No.	Particular	Marking Criteria					Supporting Documents
		Rooftop Solar		Ground Mounted Solar		Maximum Marks	
		Category-A (Rooftop Solar up to 500 kW)	Category-B (Rooftop Solar above 500 kW)	Category-C (Ground mounted solar up to 5 MW)	Category-D (Ground mounted solar above 5 MW)		
3	Technical Criteria						Purchase Order/ Work Order for Design, Supply, Erection, Testing & Commissioning in support of solar capacity along with Certificate of successful completion from Project owner/ CEI Report.
	<b>Single work order</b> of similar work (Defined hereunder Sl. No. C in Note) installed in last 5 years	400 kW-600 kW	1.6-2.5 MW	4-6 MW	12-18 MW	12.5	
		> 600 kW	>2.5 MW	>6	>18	<b>5</b>	
	<b>Two work orders</b> of similar work (Defined hereunder Sl. No. C in Note) installed in last 5 years	250 kW-375 kW	1-1.5 MW	2.5-3.75 MW	7.5-11.25 MW	12.5	
		>375kW	>1.5 MW	>3.75 MW	>11.25 MW	<b>5</b>	
	<b>Three work orders</b> of similar work (Defined hereunder Sl. No. C in Note) installed in last 5 years	200 kW-300 kW	0.8-1.2MW	2-3 MW	6-9 MW	12.5	
		>300 kW	>1.2MW	>3 MW	>9 MW	<b>5</b>	

**Note:** It is to be noted that, bidder can claim maximum 17.5 marks in S.No. 3 i.e, Technical Criteria.

### Illustrative Example:

- a. If a bidder is having following work orders:
  - i. 200 kW rooftop
  - ii. 800 kW ground mounted
  - iii. 50 kW rooftop

Then, bidder will be eligible to score 17.5 marks for Category A (under single work order of > 600 kW)

- b. If a bidder is having following work orders:

- i. 4 MW ground mounted
- ii. 300 kW rooftop
- iii. 700 kW ground mounted
- iv. 80 kW rooftop

Then, bidder will be eligible to score 12.5 marks for Category C (under single work order of 4-6 MW) and 17.5 marks for Category B (under single work order of >2.5 MW)
