PRICE BID	
1. The BIDDING must not be resubmitted by the bidder and the BIDDING shall be updated after filling the relevant columns after validating the sheet, else the bidder is liable to be rejected for this tender. 2. Bidders are allowed to enter the Bidder Name and Values only. 3. The Ex-works price is exclusive of all taxes & levies and the bidder shall fill the Ex-works price, GST, any other taxes (if applicable), Freight & Insurance Charges and Erection charges and Service Tax in respect of each of the item appearing in respective column. If taxes are not filled separately, RECPCCL may fix/quote the Ex-works Price quoted by the bidder into Ex-works Price and applicable taxes as per prevailing rates of taxes. 4. Taxes shall be paid actual as per evidence produced. 5. If any tax is levied on the contract value by the Government during the currency of contract, it shall be the responsibility of the contractor to meet such exemption. Payment against such exemption shall not be released. 6. The work is to be done on "Turnkey" basis. Therefore the bidder should include the cost of all the items necessary to complete the work for successful commissioning of the equipment. 7. All the material and erection provided shall be as per tender specifications and wherever not specified, shall be as per RECPCCL Standard. 8. Forms "C" and "D" shall not be filled. 9. Bidder shall quote based on the supply of material/contract. In case of any inconsistency in the prices furnished in the specified price schedule to be identified in Bid Form for the purpose, the Employer shall be entitled to consider the highest price for the purpose of evaluation and for the purpose of award of the Contract on the basis of the prices in these schedules. 10. Financial evaluation and selection of "L-1 Bidder" shall be on the basis of total price inclusive of all taxes.
