SECTION-II

PREFACE

About RECPDCL

REC Power Distribution Company Limited (REC PDCL) is an ISO 9001:2008, ISO 14001:2004 & OHSAS 18001:2007 Certified Company, a wholly owned subsidiary of REC Ltd., a 'Navratna' CPSE under Ministry of Power, was incorporated with specific focus on developing and investing in electricity distribution and its related activities. It received certificate of commencement of business on July 31st, 2007

The objective of setting up of RECPDCL was to capitalize on opportunities offered through the provisions of Section 4 and Section 5 of the Electricity Act, 2003. This Act, aims at opening up the electrification sector to various private players while exempting them from holding a license for distribution and retail supply. The main objectives of the Company, as set out in the Memorandum of Association, are as follows:

- To promote, develop, construct, own, operate, distribute and maintain 66 KV and below voltage class Electrification/Distribution Electric supply lines/distribution system.
- To promote, develop, construct, own and manage Decentralized Distributed Generation (DDG) and associated distribution system.
- Consultancy/execution of works in the above areas for other agencies/Govt. bodies in India and abroad.

RECPDCL is rendering a spectrum of consultancy services in power sector. Since from inception of the company, we have successfully executed the following wide variety of consultancy assignments:

- a) Project Management Consultancy (PMC) Services for electrical infrastructure Projects of more than Rs 20000 Cr of value of projects including Bid Process Management activities for RGGVY, NEF, R-APDRP etc.
- b) Third Party Inspection of Feeder Renovation Program (FRP) / HVDS Schemes.
- c) Third Party Inspection of villages electrified under RGGVY, BRGF, R-APDRP, Infrastructure scheme
- d) Third Party Evaluation/Impact study of HVDS schemes
- e) Material inspection of various electrical equipment,
- f) Energy Audit Assignments
- g) System studies of HT and LT network
- h) Energy Meter Data Analysis

- i) AMR/MRI based Energy Billing
- j) IT in Power Distribution related works
- k) Lenders Engineer for power projects including Renewable Energy Projects
- l) Preparation of Cost Data Book with Standard specifications.
- m) Formulation of DPR for Distribution System infrastructure development schemes viz., R-APDRP, RGGVY, NEF, DDG etc.
- n) IT implementation under R-APDRP

With this objective and background, RECPDCL intends to participate in the Bangalore (Karnataka) Smart Grid Pilot Project as System Integrator [RFP No. BESCO/GM (DAS & SG)/BC-19/ 2015-16/10 dated 08.03.2016] hereafter referred as "BESCOM tender" and hereby intends to engage AMI Solution provider for supply and commissioning of SMART Metering and associated Network system. Interested AMI solution suppliers shall submit their Expression of Interest to RECPDCL with their commercial.

Project:

Bangalore Electricity Supply Company Limited (a Karnataka Discom and hereafter referred as "Client" or "BESCOM") is planning to establish Smart Grid project in Domlur O & M unit of E6 sub-division of Indiranagar, Bangalore. Indiranagar is one of the electrical divisions of BESCOM covered in East circle of Bangalore Metropolitan Area Zone. Domlur O & M unit of E6 sub-division has been selected as project area owing to following criteria:

- Small urban area
- High literacy rate of about 90%
- Modern power infrastructure inclusive of overhead as well as underground network
- Scope for deployment of renewable energy as large number of independent houses are present

Project area has about 52,000 population spread over about 2.8 sqkm. Proposed Smart Grid project would include Advanced Metering Infrastructure(AMI), Peak Load Management(PLM) and some of the specific activities on pilot basis like demand side management, prepaid metering, distribution transformer monitoring, net metering, active power filter for power quality improvement, electric vehicle charging infrastructure and street light automation.

SECTION-VII

TENDER EVALUATION METHODOLOGY

OPENING OF EOI:

The Bidder or his authorized representative may be present at the time of opening of technical bid on the specified date.

In case of unscheduled holiday on the closing/opening day of bid, the next working day will be treated as scheduled prescribed day of closing/opening of bid; the time notified remaining the same.

EVALUATION OF EOI

Evaluation and comparison of bids will be done as per provisions of Pre-qualifying Criteria supporting documents as proof of pre-qualifying criteria at section – V.

The RECPDCL will examine the bids to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed and whether the bids are generally in order qualifying to which bids shall be summarily rejected.

Financial bid of the technically qualified bidder will only be opened and the date & time for the same will be intimated to each qualified bidder through email (within in a short notice). Further this exercise/tendering being pre-bid alliance with the AMI Solution Provider to participate in the BESCOM tender, so financial bid of each bidder will not be shared among the participants and shall be kept confidential till the completion of tendering process of the BESCOM. The bidder who quoted lowest rates as per the financial bid against this EoI will be chosen as the AMI Solution Provider and RECPDCL may participate with the same in the BESCOM tender on its sole discretion and all required documentation will be done before submission of the bid for BESCOM Tender. Such selected AMI solution provider will not participate with any other agency/PSU/company for the same BESCOM tender or individually violation of this shall lead to forfeit of EMD and Black Listing of the AMI solution provider.
