

Dated: 25.09.2017

**NOTIFICATION**

**NIT Ref No. RECPDCL/TECH/AMI-CED/e-Tender/2016-17/3932 Dated: 09.03.2017**

With reference to the NIT invited through e-tendering mode for Supply, Implementation & Maintenance of Smart Meters and AMI Communication System (AMI) for Smart Grid Pilot Project at Chandigarh Electricity Department (CED), RECPDCL will carry out the Reverse Auction as per the Clause no. 2 of Section V (General Conditions of Tender) among the technically qualified bidders as mentioned below on due date & time as hereunder:

Sr.No.	Name of Bidder
1.	M/s Larsen and Toubro Limited
2.	M/s Landis & Gyr Limited.
3.	M/s Asian Fab tech Limited
4.	M/s Kerala State Electronics Development Corporation Limited
5.	M/s Fluentgrid Limited

EMD submitted against the NIT by the bidders will be considered valid for the Reverse Auction. All other terms and conditions will remain the same.

The methodology for selection of successful bidder through Reverse Auction, to calculate item wise rates from the quoted overall rate along with Decrement value, time duration & Incremental time will be as follows:

1. Reserve price for Reverse Auction would be Rs.27,97,58,027.00/-(inclusive of applicable GST rates and any other taxes & duties).
2. Decrement value for Reverse Auction would be Rs.50,00,000.00/-.
3. The Auction will be carried out for the financial price to be quoted by the bidders and the successful bidder will be arrived as per QCBS methodology mentioned in the terms and conditions of NIT i.e. based on the highest composite score achieved by the bidder after completion of Reverse Auction.
4. The bidders shall quote their best price inclusive of applicable GST & any other taxes & duties. The bidders will have to mandatorily provide the detailed break-up of quoted price indicating unit rates and GST & any other taxes & duties separately, within two working days after closing of the Reverse Auction event for further evaluation.
5. The bidders, who do not reduce their price during reverse auction, will also have to mandatorily submit the detailed break up of price and unit rates submitted earlier indicating Pre-GST and Post GST applicable taxes separately, within two working days after closing of the Reverse Auction event for further evaluation. The Post-GST price thus arrived shall be considered for further evaluation.
6. The Lowest price achieved after Reverse Auction, shall be considered as the base price for calculation of the Financial score of the bidders which will be used for calculation of Composite score as per QCBS Methodology mentioned in the NIT.
7. In case of no reduction of prices by any of the bidders during reverse auction, the lowest price arrived after submission of Post-GST price by the bidders as mentioned in Clause 6 above, shall be considered as the base price for calculation of the Financial score of the bidders which will be used for calculation of Composite score as per QCBS Methodology mentioned in the NIT.
8. The time duration to be kept for conducting Reverse Auction process is from 11:00AM to 3:00PM with the incremental time duration of 30 minutes.

The Pre-Bid meeting & Reverse Auction shall be carried out as per the following schedule:
