Pre-Bid Queries for NIT No. RECPDCL/TECH/PRINTER-GED/e-Tender/2015-16/219 Dated: 02.05.2015

S. No.	Vendor	Item	Page No. / Clause No.	Parameter	Technical Specifications as per RFP	Queries / Modifications / Changes Suggested	Vendor's Remarks	RECPDCL Remarks	Change Category
1	M/s Epson	DOT MATRIX PRINTER	8/2.3.i	Speed	350 CPS or higher at 10 CPI at High Speed Draft mode	Request you to kindly change the Print Speed to 350 cps or higher .	As this is the standard specification in all APDRP and Power project . Also this specification has been approved by Ministry Of Power .	Bid will be evaluated as per technical specifications mentioned in tender document.	No Change
2	M/s Epson	A4 SIZE INKJET/ BUBBLE JET PRINTER	10/2.3	Duplex Printing Option	Yes- Auto	Kindly Mention Yes Manual/Auto . So that we can also participate .We have a very low cost printing solution . That will give 15p per page cost in B/W and 25 Paise per page cost in colour.	Under Duplex printing option - Kindly Mention **Yes Manual/Auto .** So that we can also participate .We have a very low cost printing solution . That will give 15p per page cost in B/W and 25 Paise per page cost in colour .	Bid will be evaluated as per technical specifications mentioned in tender document.	No Change
3	M/s Epson	A3 SIZE INKJET COLOR PRINTER	11/2.3	Memory	8 MB RAM or higher	Request you to kindly remove, Memory - 8MB Ram so that we can also participate. Our printer doesn't have a memory. We have a technology that is Micro Piezo Technology. It prints Line by line. We have cost effective solution.	1. Reuest you to kindly remove ,Memory - 8MB Ram so that we can also participate . Our printer doesn't have a memory . We have a technology that is Micro Piezo Technology .It prints Line by line . We have cost effective solution.	Bid will be evaluated as per technical specifications mentioned in tender document.	No Change
4	M/s Epson	A3 SIZE INKJET COLOR PRINTER	11/2.3	PRINT LANGUAGE	PCL 3 or higher	Kindly mention in Print Language - PCL 3 or equivalent	Kindly mention in Print Language - PCL 3 or equivalent	Bid will be evaluated on PCL 3 or higher and its equivalent. However PCL is an industry standard printer language.	Very Minor Change
5	M/s Lipi data	DOT MATRIX PRINTER	8/2.3.i	Speed	350 CPS or higher at 10 CPI at High Speed Draft mode	600 CPS or higher at 10 CPI at High Speed Draft mode	while printing Pdf file, speed of the printer increase	Bid will be evaluated as per technical specifications mentioned in tender document.	No Change
6	M/s Lipi data	Line Printer	12/V	Fonts	Draft, data processing, gothic, courier, OCR-A, OCR-B, range of Arabic	Draft, data processing, gothic, courier, OCR-A, OCR-B		Bid will be evaluated as per technical specifications mentioned in tender document.	No Change
7	M/s Lipi data	Line Printer	12/V	Barcodes	Code 39, 2/5 Matrix, 2/5 interleaved, EAN 8, EAN 13, EAN128, UPC-A, PDF417 2 dimensional, KIX, UK Post Office, with read/write algorithm	Code 39,2of 5 interleaved, EAN 8, EAN 13, EAN128, UPC-A, UPC-E ,codabar,mslppdf-417,intelligent mail barcode		Bid will be evaluated as per technical specifications mentioned in tender document.	No Change
8	M/s Lipi data	Line Printer	12/V	PAPER HANDLING	2 tractors 25 inch per second slew rate (max) Paper motion detection, paper out detection	continnous,fanfolded,edge-perorated,3 to17inches 76 to 432 mmwide ,2 to12inches (5.08 to 30.48 cm long)	Better & smooth printing	Bid will be evaluated as per technical specifications mentioned in tender document.	No Change
9	M/s Lipi data	Line Printer	12/V	Paper size	100-466mm Length: 1 to 255 lines	76-432 mm	printing of line depend upon customer	Bid will be evaluated as per technical specifications mentioned in tender document.	No Change
10	M/s Lipi data	Line Printer	12/V	PAPER WEIGHT	65 to 365gsm	56to163gsm		Bid will be evaluated as per technical specifications mentioned in tender document.	No Change
11	M/s Lipi data	Line Printer	12/V	RIBBONS EMULATIONS	'Clean hands' mono, 40 million chars, 60 and 250 million chars, 'enterprise ribbon' MT660/MT690, Epson FX+, IBM ProPrinterXL,Genicom ANSI, HP2564C, Printronix P600/P6000, DEC LG01, contextual Arabic or equivalent	Ribbon Cartridge. Standard life 9000 pages (on ISO ISA page)	kindly change	Bid will be evaluated as per technical specifications mentioned in tender document. Bidder needs to mention the life of ribbon in no. of Characters.	Very Minor Change
12	M/s Lipi data	Line Printer	12/V	Interface	Standard: IEEE 1284 compliant parallel, serial with 38.4K baud transfer fourplex: twinax and coax (+IPDS), LANPlex Ethernet (+IPDS) Printer should be network attachable printer.	STANDARD USB2.0 SERIALAND ETERNET-10/100.BASE T,PARALLEL PORT		Bid will be evaluated as per technical specifications mentioned in tender document.	No Change
13	M/s Lipi data	Line Printer	12/V	NOISE LEVEL (ISO 7779)	52dBA			No Query	
14	M/s Lipi data	Line Printer	12/V	PAPER STACK	For front and backside			No Query	
15	M/s Lipi data	Line Printer	12/V	MULTI PART STATIONERY	Up to 6 part forms Maximum forms thickness 0.025 inches			No Query	
16	M/s Lipi data	Line Printer	12/V	PRINT SPEED	Min. 500 or above lines per minute (@ 10, 15 & 17.4 cpi)			No Query	
17	M/s Lipi data	Line Printer	12/V	WORKLOAD	200,000 pages per month	120000 pages/month	kindly change	Bid will be evaluated as per technical specifications mentioned in tender document.	No Change
18	M/s Lipi data	Line Printer	12/V	THROUGHPUT (ECMA 132) CHARACTER PITCH	Constant density: 5, 10, 12, 13.3, 15, 17.1cpi Enhanced density: 5, 6, 6.67, 7.5, 8.33, 8.57, 10, 12, 1			No Query	
19	M/s Lipi data	Line Printer	12/V	LINE PITCH	1.5, 2, 3, 4, 5, 6, 7, 8, 9 & 10lpi			No Query	
20	M/s Lipi data	Line Printer	12/V	GRAPHICS RESOLUTION	Up to 240 x 288dpi			No Query	
21	M/s Lipi data	Line Printer	12/V	GRAPHICS LANGUAGES	QMS code V, Printronix Graphics Language (PGL), Tally IG or equivalent			No Query	
22	Pre-bid Queries	NETWORK LASER JET (B/W) PRINTER	9	Resolution Color	1200 x 1200 (2400 dpi type or higher) , Image Resolution Enhancement technology	This specs is OEM specific and not available with all OEMs?		This specification is not OEM specific. Bid will be evaluated as per tender specifications.	No Change
23	Pre-bid Queries	NETWORK LASER JET (B/W) PRINTER	9	speed(Color)	32 PPM or higher for A4 in normal mode, first page out 10 seconds or less	it should be Speed(B/W)		It is Speed (Mono)	Minor Change
24	Pre-bid Queries	NETWORK LASER JET (B/W) PRINTER	9	STD PAPER TRAYS INPUT	TWO (total paper Input 500 Sheets or more)	Can it be done in Total 300 or better or it is available with some OEM		Bid will be evaluated as per tender specifications.	No Change
25	Pre-bid Queries	NETWORK LASER JET (B/W) PRINTER	9	DUTY CYCLE	80,000 Pages per month or higher	Can we reduce it upto 40,000		Bid will be evaluated as per tender specifications.	No Change
26	Pre-bid Queries	NETWORK LASER JET (B/W) PRINTER	9	CONNECTIVITY	IEEE 1284 ECP Compliant, B Size Bidirectional parallel port, One USB 2.0 port & Fast Ethernet 10/100/1000 Internal Print Server in EIO Slot	As per OEM vendor, This technology is Very old and become obsolete now.		These specifications are minimum. Higher or enhanced specifications will be considered.	Very Minor Change

27	Pre-bid Queries	NETWORK LASER JET (B/W) PRINTER	10	N/W PRINT MGMT S/W	Needed	What is exactly requirement or it should be optional or mandatory		The required functionality for managing network printing through web must be inbuilt into the printer.	Very Minor Change
28	Pre-bid Queries	A4 SIZE INKJET/ BUBBLE JET PRINTER	10	Print Speed	Black Text: Draft Mode: 23 ppm or higher, Normal Mode : 6 ppm or higher Color: Draft Mode: 17 ppm or higher, Normal Mode : 5 ppm or higher	As per canon, new standard is IPM instead of PPM. PPM is ISO standard. To check whether it is OEM specific?		Bid will be evaluated as per tender specifications.	No Change
29	Pre-bid Queries	A4 SIZE INKJET/ BUBBLE JET PRINTER	10	RESOLUTION	4800x 1200 DPI (optimized)	If it is document printing then it should be 600x600 dpi or higher.		Bid will be evaluated as per tender specifications.	No Change
30	Pre-bid Queries	A4 SIZE INKJET/ BUBBLE JET PRINTER	10	PRINT LANGUAGE	PCL 3 or higher	OEM Specific PCL 3/equivalent or higher.		Bid will be evaluated on PCL 3 or higher and its equivalent. However PCL is an industry standard printer language.	Very Minor Change
31	Pre-bid Queries	A3 SIZE INKJET COLOR PRINTER	11	PRINT SPEED FOR A4 SIZE	Black Text: Draft Mode: 12ppm or higher , Normal Mode : 6 ppm or higher Color: Draft Mode:10 ppm or higher, Normal Mode:4 ppm or higher	As per canon, new standard is IPM instead of PPM. PPM is ISO standard. To check whether it is OEM specific?		Bid will be evaluated as per tender specifications.	No Change
