The overall goal of the Environmental and Social Management Framework (ESMF) is to ensure that decision making in subsequent stages of the project is informed and influenced by environmental and social considerations for each of the subprojects, many of which are still to be identified. It aims to integrate environmental and social concerns into the project's design and implementation and to exclude any Category A (high impact) project investment under this program. In order to achieve this, main objectives of the ESMF are:

- a. To establish clear procedures and methodologies for the environmental and social planning, review, approval and implementation of subprojects to be financed under the Project;
- b. To specify appropriate roles and responsibilities, and outline the necessary reporting procedures, for managing and monitoring environmental and social concerns related to subprojects;
- c. To determine the training, capacity building and technical assistance needed to successfully implement the provisions of the ESMF;
- d. To establish the Project funding required to implement the ESMF requirements; and
- e. To provide practical information resources for implementing the ESMF.

#### **DETAILED SCOPE OF WORK**

#### **Environmental Management Activities:**

- 1. Support Client in ensuring compliance related to environmental safeguards adhering to the provision of ESMF.
- 2. Advice related to good practices on pollution risk and control for the design, operation and maintenance of substations, storage yards and maintenance workshops. Develop good practice manual to facilitate adherence.
- 3. Develop environment management checklist for use by Client officials and Contractors in undertaking their supervision, monitoring and implementation activities.
- 4. Review and confirm that all relevant clearances and permits have been obtained prior to commencement of works and all required signages/flags etc are in place at site. Particularly ensure that all open pits, excavations that are left overnight are secured from access by humans and animals.
- 5. Review documentation and undertake site visits (environmental audit) to document (including photographs) and confirm that all corrective actions for existing facilities, set out in the EMP have been adequately implemented.
- 6. List out the required clearances, NOCs required from concerned authority for Project activity.

## **Social Impact Management activities**

- 1. Monitor social impacts and mitigation activities as included in the ESIA report, improve monitoring indicators and mitigation plans, if needed.
- 2. Prepare semi-annual and annual social impact monitoring reports

- 3. Assist Client in establishing a grievance redressal mechanism and support in managing grievance redressal processes throughout project implementation
- 4. Prepare completion report as per the recommended practices
- 5. Provide guidance and advice to Client on any social safeguards compliance issues and provide training as needed.
- 6. Perform effective and efficient public consultation process as per requirement. Develop proper communication plan and specific actions to be taken to ensure good representation and good attendance of affected communities and stakeholders in the planned Public consultation meetings/events.

It is hereby agreed by and between the parties as under:
Section I - Commitments of RECPDCL

- (1) RECPDCL commits itself to take all measures necessary to prevent corruption and to observe the following principles :
  - a) No employee of RECPDCL, personally or through family members, will in connection with the tender, or the execution of the contract, demand, take a promise for or accept, for him/herself or third person, any material or other benefit which he/she is not legally entitled to.
  - b) RECPDCL will, during the tender process treat all Bidder(s) with equity and fairness. RECPDCL will in particular, before and during the tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential / additional information through which the Bidder(s) could obtain an advantage in relation to the tender process or the contract execution.
  - (c) RECPDCL will exclude from evaluation of Bids its such employee(s) who has any personnel interest in the Companies/Agencies participating in the Bidding/Tendering process
- (2) If Chairman RECPDCL obtains information on the conduct of any Employee of RECPDCL which is a criminal offence under the relevant Anti-Corruption Laws of India, or if there be a substantive suspicion in this regard, he will inform its Chief Vigilance Officer and in addition can initiate disciplinary actions under its Rules.

#### Section II - Commitments of the Bidder

(1)

Commits himself to observe the	ne following principles
(Signature)	(Signature)
(For & On behalf of RECPDCL)	(For & On behalf of Bidder)

The Bidder commits himself to take all measures necessary to prevent corruption. He

during his participation in the tender process and during the contract execution:

- a) The Bidder will not, directly or through any other person or firm, offer, promise or give to RECPDCL, or to any of RECPDCL's employees involved in the tender process or the execution of the contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange an advantage during the tender process or the execution of the contract.
- b) The Bidder will not enter into any illegal agreement or understanding, whether formal or informal with other Bidders. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or actions to restrict competitiveness or to introduce cartelization in the bidding process.
- c) The Bidder will not commit any criminal offence under the relevant Anti-corruption Laws of India; further, the Bidder will not use for illegitimate purposes or for purposes of restrictive competition or personal gain, or pass on to others, any information provided by RECPDCL as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.

- d) The Bidder of foreign origin shall disclose the name and address of the Agents/representatives in India, if any, involved directly or indirectly in the Bidding. Similarly, the Bidder of Indian Nationality shall furnish the name and address of the foreign principals, if any, involved directly or indirectly in the Bidding.
- e) The Bidder will, when presenting his bid, disclose any and all payments he has made, or committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract and/or with the execution of the contract.
- f) The Bidder will not misrepresent facts or furnish false/forged documents/ information in order to influence the bidding process or the execution of the contract to the detriment of RECPDCL.
- (2) The Bidder will not instigate third persons to commit offences outlined above or be an accessory to such offences.

## Section III- Disqualification from tender process and exclusion from future Contracts

- (1) If the Bidder, before contract award, has committed a serious transgression through a violation of Section II or in any other form such as to put his reliability or credibility as Bidder into question, RECPDCL may disqualify the Bidder from the tender process or terminate the contract, if already signed, for such reason.
- (2) If the Bidder has committed a serious transgression through a violation of Section II such as to put his reliability or credibility into question, RECPDCL may after following due procedures also exclude the Bidder from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressors within the company hierarchy of the Bidder and the amount of the damage. The exclusion will be imposed for a minimum of 12 months and maximum of 3 years.
- (3) If the Bidder can prove that he has restored/recouped the damage caused by him and has installed a suitable corruption prevention system, RECPDCL may revoke the exclusion prematurely.

#### Section IV - Liability for violation of Integrity Pact

- (1) If RECPDCL has disqualified the Bidder from the tender process prior to the award under Section III, RECPDCL may forfeit the Bid Guarantee under the Bid.
- (2) If RECPDCL has terminated the contract under Section III, RECPDCL may forfeit the Contract Performance Guarantee of this contract besides resorting to other remedies under the contract.

### **Section V- Previous Transgression**

(1) The Bidder shall declare in his Bid that no previous transgressions occurred in the last 3 years with any other Public Sector Undertaking or Government Department that could justify his exclusion from the tender process.
(Signature) (Signature) (For & On behalf of RECPDCL) (For & On behalf of Bidder)
(2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.
Section VI - Equal treatment to all Bidders
(1) RECPDCL will enter into agreements with identical conditions as this one with all Bidders.
(2) RECPDCL will disqualify from the tender process any bidder who does not sign this Pact or violate its provisions.
Section VII - Punitive Action against violating Bidders / Contractors
If RECPDCL obtains knowledge of conduct of a Bidder or a Contractor or his subcontractor or of ar employee or a representative or an associate of a Bidder or Contractor or his Subcontractor which constitutes corruption, or if RECPDCL has substantive suspicion in this regard, RECPDCL will inform the Chief Vigilance Officer (CVO)/Competent authority.
